## Update: Traffic Management on Alamein Road and Larsen Road Benghazi Road added to Stage 2

Kia ora Neighbour,

We would like to let you know about the latest programme since our 13 October letter notification around traffic management on Alamein Road and Larsen Road.

1. Stage 2 is expected to be in place from the 10<sup>th</sup> of November and will remain in place until mid-December.
2. To support the final stage of the Chorus upgrades, Benghazi Street will be included in Stage 2 for a period of time. While the exact dates for the Benghazi detour are still to be confirmed, clear traffic signs will be in place to guide vehicles through.

Please refer to the updated map below for the best travel routes and vehicle flow.

### Traffic Management and detours

- Intersection of Benghazi Road and Alamein Road will have a combination of detours and stop/go traffic management in place. These will not operate during school pick-up and drop-off peak times.
- On-street parking will be limited while traffic closures are in place. If vehicle access to your property is restricted, Kirrily will contact you directly.

If you have any questions or concerns regarding infrastructure upgrades please get in touch with LEAD Alliance Senior Community Liaison Advisor, Kirrily Watson, at [kirrily.watson@leadalliance.nz](mailto:kirrily.watson@leadalliance.nz) or via mobile (021) 198 7575.
